DISCLAIMER

When you purchase and open this pack, it means you agree to be bound by the terms and limitations set out in this Disclaimer. This product has been labeled in accordance with applicable law. Implied terms and warranties are excluded including, without limitation, as regards crop yield, purity, and/or quality, each of which depends on factors beyond Syngenta's control. Any picture on the packaging is representative only and does not constitute a warranty. Syngenta's liability for breach of the express or any non-excludable implied warranty is limited to product replacement or purchase price refund. The purchaser must determine suitability of this product for its intended purpose and take all proper precautions in the handling, storage and use of the product including those on the label, failing which Syngenta shall have no liability. No claim shall be asserted against Syngenta unless the purchaser reports any alleged defect to Syngenta within 30 days of the date of purchase. If a claim is made against Syngenta relating to the products or similar products, Syngenta shall be entitled to inspect the product where stored or sown.

USE RESTRICTIONS: this product and one or both of its parental lines, and its packaging, are proprietary to Syngenta or its licensors. The only permissible use of the product and any parental seed incidentally contained in it is the production of a single crop of fresh produce, forage or grain for food, feed or processing. The product and any parental seed incidentally contained in it shall not be used to produce seed, for research of any kind, or for breeding or molecular or genetic characterization. Export, resale or transfer of the seed and any parental seed incidentally contained in this package or its progeny is strictly prohibited, except that fresh produce, forage or grain may be exported solely for food, feed or processing. For availability of licenses, contact Syngenta.
